#### Olac History

In October 1988, Our Lady of Assumption School was established and conceptualized by Dr. Maximo C. Acierto, Jr. and Dr. Ethelwyn A. Acierto to cater to the growing needs for good quality education in the Southern Tagalog region. The school located at Main Road Villa Olympia Subdivision, San Pedro, Laguna was purchased from Forfom Development Corporation in 1988 with a 5,000 sq/m lot. During its first year of operation for the school year 1989-1990, Pre-Elementary and High schools were offered and there were 377 pupils enrolled.

After five years of operation, the founders decided to put up another campus and this gave way to the birth of Santa Rosa Campus located at San Lorenzo South, Santa Rosa, Laguna, offering a complete program from Pre-elementary to High school. The Our Lady of Assumption School located at San Pedro, Laguna became the Main Campus.

In the year 2000, the founders decided to open its third campus located at Phase 2, Mabuhay City Homes, Mamatid, Cabuyao, Laguna, the same year, the college department was opened to accommodate the incoming freshmen. Several courses were offered and the school changed its name to Our Lady of Assumption College. School year 2004-2005, another property was bought in Cabuyao to build the fourth campus, this time in Phase VI Mabuhay City Homes, Mamatid, Cabuyao, Laguna.

As the demand for quality education arises in the southern part of the Region, a fifth campus was opened in 2009 in the heart of the City of Tanauan, Batangas, which is located at N. Gonzales St. close to the busy main roads of the city.

Our Lady of Assumption College pursues the Christian values to lead its student to see God in all things, to strive for the greater glory of God, It aims to form productive citizen rooted in their own culture and within the global culture imbued with scientific spirit and values of professionalism and strongly committed to a faith.
